YOUR TESTIMONIAL:

Jeff you were great! My family is hard to break the ice and you had everyone on there feet and participating. You were very professional. I was surprised at the level of music that you had available. Thank you for taking time to DJ my grand baby 2nd birthday party although it was last minute but the job you did was if I had booked it months in advance. Anytime someone I know needs a DJ I will be referring you! Thank you so much.
